

Top Hotels & Resorts in Kaziranga National Park

Undoubtedly, Kaziranga offers the best safari experience in India. And to further enhance tourists experience in the unparalleled beauty of the jungle; a pre-booked stay hotel or resort close to the Kaziranga National Park is a must. Near Kohora and Bagori zone of the Kaziranga National Park, tourists will be able to find best places to stay; some of which are Government run lodges while other are private accommodations and camps. Even the outskirts of Kaziranga National Park like Bokakhat and Nagaon has some good number of jungle resorts, camps, luxury hotels; all furnished with state-of-the-art facilities. Even here one can find many budgets that have everything that tourists could ask for like attached washroom, well-ventilated rooms, valet service, wi-fi connectivity and many more things. The best part of the resorts in Kaziranga is that the management does a lot to cut back the carbon footprints; most of them are constructed from recycled building materials and uses solar water systems, sewage treatment plants, and low consumption bulbs. See below for the list of best hotels where tourists can book a stay.

Jupuri Ghar, Kaziranga

Jupuri Garh, is situated just off to the main road, in the Kohora Tourist range, opposite to the Central Zone entrance within an easy access to the booking office. The resort is surrounded by woodland at the foot of a hill and close to the Kaziranga National Park, local tea estates and the Mikir Hills. The village town will within 10 minute walk. The accommodation in Zupuri Garh is standard but very clean and the whole property is set out in beautifully landscaped and maintained gardens. Accommodation Zupuri Garh is comprised of eight charming individual air-conditioned cottages with attached bathroom, and each cottage has an outside porch facing a central courtyard.

The rooms are large, very clean and comfortable. Dining The open air restaurant at Juipuri Garh with delicious food & warm welcoming staff really enrich the experience of staying here. Facilities The facilities at Jupuri Garh consist of the arrangements of Jeep Safari, Elephant safari, bon fire, village visits, tea garden visit and airport / railway station pick up.

Diphlu River Lodge, Kaziranga

Diphlu River Lodge, is situated in an excellent location in Kaziranga National Park. The river in its

boundary separates the Lodge from the National Park. The comfortable bungalow overlooking the river and jungle makes the stay very exceptional in Kaziranga. Diphlu River Lodge is ideally placed for easy access, on National Highway 37, only 3 km from the Baguri Forest range office and elephant ride point of Kaziranga National Park. The grounds of the lodge have been carefully planned to preserve the natural environment. As you enter from the road you pass through a zone planted with trees and bamboos, past an open area where the lodge hold tribal dance performances, before you leave your car at the ridge where the land slopes down to farmland, the main resort and river. Steps lead down to railed bamboo walkways over the paddy field and other crops, linking the cottages and Machan without disturbing the agriculture. The eco-friendly operation of the resort includes re-cycling grey water for irrigation.

Accommodation : The lodge consists of, 8 private bungalows, and 4 semi-private bungalows, raised on stilts above the ground. Made of bamboo and thatch, they are all air-conditioned. All the cottages accommodate 02 people and have been beautifully designed to make full use of local materials and artefacts and blend in with the stunning natural surroundings. All are well-appointed and charmingly furnished with individual interiors. Each has a seating area with comfortable cane furniture, a writing desk, mini-bar, safe, small fridge and tea & coffee machine as well as top-quality beds and mattresses. The very spacious separate cottages have a wide folding glass door opening onto a thatched verandah with cane day bed and inviting chairs, and overlook the Diphlu River and National Park, while at the rear a deck with sun loungers looks across farmland. The semi-detached cottages all have equally attractive large balconies from which to savour the magical surroundings in the open air. All shower bathrooms are en-suite with roomy dressing area and fitted wardrobe.

Dining : High above the river is the Machan. This has an air-conditioned sitting and dining areas opening onto a large verandah with high thatch ceiling and bamboo floor. Guests can congregate here to swap the day's jungle stories over a drink or a delicious meal, sink onto sofas with a book from the library, relax by the fireplace on chilly winter evenings, enjoy an al fresco breakfast on the verandah after returning from early morning safari, watch for birds or scan the opposite bank for wild animals.

Facilities : Diphlu River

Lodge is ideally located on National Highway 37, only 3 km from the Baguri Forest range office and elephant ride point of Kaziranga National Park. The facilities consist at the lodge are arrangements of Jeep Safari, Elephant safari, the services of resident trained naturalists, village visits, river walks, tea garden visit and airport / railway station pick up.

Infinity Kaziranga Wilderness

Set in the midst of a thick bamboo grove, with a wide variety of medicinal plants and a plantation of betel nuts and fruit trees, Infinity Kaziranga Wilderness is built in this grove to enable the entire resort to blend in with the thick foliage. Its architectural design is reminiscent of old Assamese houses which were in the past, set atop bamboo stilts. This exquisite resort is further enhanced by a beautiful lake which spans an area of almost 20,000 sq ft. All our 18 guest rooms are lake-facing. Guests will find their rooms comfortable and luxurious with a combination of peace of tranquillity. The Main building, called the "Long House", this double-storied building with a two-tiered roof, is the main activities area. It houses a Restaurant, Reception, Spa, Swimming Pool, Library and Internet Cafe. The conference room where evening wildlife film shows are screened, is also located in this building. Accommodation : The large and airy bedrooms which are 380 sq ft in area, have large glass sliding doors and windows providing guests with a wonderful view of the tree tops and thick green canopy. Each has an en suite bathroom and distinctive triangular private balcony which is a picture of space and luxury. Guests have a choice of any of our 18 twin-bedded or double-bedded rooms. To add to your comfort, thick mattresses, soft bed linens, towels and superior interior decor using soft illumination ? combined with a strong emphasis on the use of local building materials such as bamboo, thatch, teak wood, mud and local grasses are used in the guest rooms. This earthy theme will soothe away your jangled nerves, making you feel "home away from home". Dining : With a beautiful view and the option to sit indoors or on the open deck, guests will be served various mouth-watering fare such as Assamese, North Indian, Chinese and Continental cuisines during their

stay with us. Although meals are usually a lavish spread and served buffet-style, we are pleased to cater to any guests who may be on special diets.

Facilities :WILD SPA:Where better to have your much deserved beauty treatments than to have them in the midst of thick green jungle foliage? Our Wild Spa features traditional Ayurvedic massages and International beauty treatments. Be sure to book with our Receptionist in advance.

SWIMMING POOL & DECK:Located next to the lake is a swimming pool for a spot of exercise or simply to chill-out during the hot summer months. Guests can sun-bathe or simply relax while enjoying a good book or a thirst-quenching cocktail.

WILDLIFE SAFARI & PARK ELEPHANT RIDES:We recommend guests to take as many safaris as possible so as not to miss out on the wildlife and bird sightings. Early morning Park elephant rides are magical as visitors are able to approach rhinos with calves at close quarters as they do not seem disturbed by these elephants. Guests will be able to take beautiful photographs of wild animals bathed in the radiance of the morning sunlight. Large herds of Swamp and Hog Deer are also commonly sighted during these outings.

And other facilities like :Morning/Afternoon Safari in open-top vehicles to Kaziranga National Park
Park Elephant Rides
Trekking to Panbari Forest to see Hoolock Gibbons
Botanical Garden Walk
Bird Watching
Visit to tribal villages to view their culture and lifestyle can be arranged
Visit to handicraft shops
